## SHAKESPEARE'S GLOBE

### Our Cause

We celebrate Shakespeare's transformative impact on the world by conducting a radical theatrical experiment. Inspired and informed by the unique historic playing conditions of two beautiful iconic theatres, our diverse programme of work harnesses the power of performance, cultivates intellectual curiosity and excites learning to make Shakespeare accessible for all.

**'And let us ...on your imaginary forces work' *Henry V, Prologue***

Performance and education take place throughout the year inspired and informed by the Globe Theatre and Sam Wanamaker Playhouse. In addition, there is an exhibition and tour, as well as retail, catering and events spaces. A registered charity (No. 266916), the Shakespeare's Globe Trust does not receive regular public subsidy. Three quarters of income comes from over one million visitors annually who buy tickets to performances, events, exhibition and tours, and educational activities. Revenue is also generated by on-site retail and catering. Vital support comes from the Globe's family of Friends and Patrons. These include a range of Members' schemes at varying levels, corporate supporters, trusts, individual gifts and legacies.

### GLOBE THEATRE

Following an absence of 400 years, the present Globe Theatre stands a few hundred metres from the original site. The rebuilding of the iconic building was led by the pioneering actor and director Sam Wanamaker who spent 23 years fundraising, advancing research into the appearance of the original Globe and planning the reconstruction with architect Theo Crosby. Sam Wanamaker died in 1993, three and a half years before the theatre was completed.

Performances, tours, and educational work take place all year with the theatre season running from April to October. The theatre is an important space for research led by in-house scholars, and is central to undergraduate and post graduate programmes, as well as activities for school students of all ages. Each year in early spring, *Playing Shakespeare with Deutsche Bank*, a Shakespeare production created for young people and families, gives 20,000 free tickets to state secondary schools in London and Birmingham.

### SAM WANAMAKER PLAYHOUSE

The Sam Wanamaker Playhouse, opened in January 2014. The intimate, 340-seat candle-lit space is a beautiful archetype of the indoor playhouses of Jacobean London. Also open all year, the Playhouse's principal theatre season runs from October to April. In addition, it hosts panel discussions, lectures, and musical events. It is also an essential space for original research, rehearsed readings, family storytelling and workshops for school students and teachers.

### EXHIBITION AND TOUR

The Exhibition is open all year, 9.00am – 5.00pm. Globe Theatre tours depart every 30 minutes. As a working theatre, tours may not be available due to performances, rehearsals or events, and tours may be affected by technical work in the theatre.

### BANKSIDE AND BEYOND

Overlooking the river on Bankside, Shakespeare's Globe is proud to be in Southwark and has a range of community projects: Globe Elders Company, Southwark Youth Theatre, *A Concert for Winter*, *Our Theatre* schools performance project and a work experience programme for 14-18 year olds. Shakespeare's Globe has a rich tradition of touring nationally and internationally with award-winning productions transferring to both the West End and Broadway. *Globe on Screen* also takes highlights from the theatre season to cinemas worldwide and *Globe Player* makes Shakespeare's Globe productions available to all.
