

**Are you considering a career in the arts?
Not sure what your next move is?**

Join our team for one year to support the running of our work with students, teachers, academics, individuals and families.

These professional roles are designed to:

- build communication and initiative skills
- broaden your horizons
- give experience of working in a major international arts centre

You will spend a year working in a **creative, supportive** and **inspiring** team environment. These paid roles are suitable for anyone seeking to develop skills through working in a professional setting.
